

Occupational Health & Safety Client Impact Questionnaire

According to the Disability Services Act (2006) clients of disability services have the right to participate in decisions which affect their lives. Clients also have the right to receive those services in a manner which results in the least restriction of their rights and opportunities. This questionnaire is designed to facilitate the achievement of these rights. The information gathered should be considered when undertaking Occupational Health & Safety risk management.

Describe the risk/s that have been identified in language the client will understand

Describe the risk control measure/s being considered in language the client will understand

How will these changes impact on the client's preferred lifestyle?

List some alternative ways to minimise the risk

How would the client prefer to minimise the risk?

Client's signature:

Service Provider signature:
